<p>4.0</p>	<p><u>REVIEW of the Establishment of Community Councils in North Ayrshire</u> Community Councils have expressed concerns about the time scale of this review – formal elections have been suspended, with the result that CCs are really unable to promote themselves and recruit new people – is there going to be a decline in active membership? E-mail statement received from Andrew Fraser, NAC, re the legalities of the situation. As the Scottish Government are considering changes to the Community Council system, it seems that NAC are holding back on their review – all agreed that it would be sensible to see the former processes reinstated until such time as the issue is settled. Agreed to write to Audrey Sutton on this matter. Also agreed to forward a copy of letter to all other Community Councils in North Ayrshire.</p> <p>Agreed to be more pro-active in involving all our Councillors about matters arising at KCC meetings. Minutes will be distributed earlier, and followed with e-mail reminder of meeting. All Councillors to be invited to AGM. NM Proposed that the senior schools be invited to send representation to KCC meetings – will discuss at AGM.</p>	<p>JG</p> <p>JG</p>
