31st March 2019

Dear Resident,

Kilwinning Community Council wants to invite you to attend a drop-in meeting about the traffic issues on Claremont Crescent.

We have been approached by one of your neighbours about their concerns about the traffic and parking on the street and want to give you the chance to give us your views.

Drop in to Kilwinning Academy (Main Building) between 4pm and 6pm on the 18th April.

We will collate all the views we have been given and make representations to the relevant authorities.

If you can't make the drop-in but still want to give us your views you can get in touch with us on Social Media or you can get in touch with our Secretary via email at nairnmcdonald@outlook.com.

Yours Sincerely.

Nairn McDonald

Secretary
Kilwinning Community Council
